# ASTHMA FRIENDLY SCHOOLS

#### 1. STAFF TRAINING

All staff in school to be trained in asthma awareness. All training can be accessed by following this link - <u>e-</u> <u>learning CYP asthma training</u>

### **2. ASTHMA POLICY**

Each school has an asthma policy. Personalise this <u>draft version.</u>

#### **3. ASTHMA REGISTER**

Each school to have an asthma register

## 4. PARENTS

Parents/carers are to be encouraged to share their child's management plan. A generic action plan is available <u>here</u>. Have a copy in every classroom.

## **5. INHALER STORAGE**

A consistent approach to where

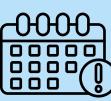

and how inhalers are stored in school.

## **6. EXPIRATION NOTIFICATION**

A notification system of when inhalers are due to expire

#### 7. EMERGENCY PREPAREDNESS

Each school to have a spare emergency inhaler and spacer. <u>Consent</u> form for parents

## 8. ESCALATION PROCESS

A process in place when to escalate cases to a health professional
